## The Mason Line

by Chan Mason

Now that the Editor and Publisher of the Review has successfully completed his one man campaign to keep the S. D. office of the Bureau of Motor Vehicles open for the convenience of the working man, we now ask him to keep pitchin' along the same line only in a different field—we refer to certain members of the medical profession. (It's OK, Maxie, the Hippocratic Oath says the docs can't advertise.)

Have you made an appointment with your doctor recently? Our advice is unless you're three-quarters dead—don't. If you've never had high blood pressure, you will after waiting for ever in order to get into the sanctum sanctorum—and we're not altogether kidding, either. It just is not possible to so badly arrange one's daily schedule that one is an hour and a half behind before the day is over. Sic 'em Maxie, they can't hurt us, they just make us sick.

Now the above probably does not apply to all medics, but recently we went through this Chinese torture. We were shaking Continued on page 8

## Multi-Million Dollar Business Project To Be Described by Owner

Reservations are coming in at the spirited clip for the Lemon Grove Men's Club sponsored public luncheon meeting at which George Scott, president of the Walker-Scott Department Store, will be speaker. The meeting will be at Michael's at 12 o'clock Friday, November 19.

## U. S. Senator Kuchel to Visit Here Saturday

United States Senator Thomas H. Kuchel of Anaheim will be in Lemon Grove Saturday to greet his constituents, according to Herb Kunzel of the law firm of Luce, Forward, Kunzel and Scripps. Kunzel, a former U.S.C. classmate of Kuchel, is Kuchel's San Diego County campaign manager.

Kuchel will headquarter at the Review office on Imperial Avenue, next to the Grove Theatre, for about one hour at 11:30 a.m. Saturday.

## Cornet 5-25c Store Soon To Open

The new Cornet 5-10-25c store, being built at 7875 Broadway, will be opened in a matter of a few weeks, it was announced by store officials.

The store, designed as a self-service operation, will have 37 complete departments covering more than 8,000 square feet of floor space. It will boast the widest variety of dime store merchandise available, according to firm executives.

The chain, which has 132 other stores, was founded in Covina, California, in 1924 and is the largest independently owned chain of variety stores in America.

The new Cornet Store will be the most modern in this area. Easy to shop self service counters, slimline fluorescent lighting and modern display fixtures will be among the features.

## School Advisory Meeting Cancelled Through Poor Attendance

The monthly meeting of the Citizens' Advisory Committee of the Lemon Grove School District was cancelled last Wednesday by Chairman Rush Rowley when only six members of the group turned up at scheduled meeting. "It's a shame that residents fail to recognize the importance of these advisory groups," Rowley said. "It is here that the truly democratic processes come into play. The school system conscientiously considers every suggestion we offer. Residents who want to have a part in school operation should certainly attend these meetings."

Advisory Committee meetings are held on the second Wednesday of every month at the Junior High School auditorium and everyone is welcome to attend. The next meeting will be November 10. Additional information may be obtained from Rowley or from the Lemon Grove Elementary School District's offices.

## Local Movie to be Premiered Friday

A movie, in color, comparing Lemon Grove with some of her sister communities will be shown

You could have hung coathangers on School Superintendent Byron Netzel's eyeballs, he was that astounded, when the Lemon Grove school trustees read into the records a resolution of commendation and appreciation concerning his 12 years of service to the elementary district.

To further confound Mr. Netzel, a "special issue" of the Review, totaling ten copies, was printed in advance and distributed as the resolution was read. The "special issue" reported the event even as it was being unfolded.

Board president Frank Armstrong prepared the resolution and read it as the first order of business.

The resolution told how Netzel had been superintendent and principal in July, 1942, with 14 teachers, six classrooms and 570 pupils. This compared with present student enrollment of 2800, 90 teachers, 60 classrooms (with 21 more under construction) and a total of 57 administrators and other employees.

Read the resolution in part: "Since 1942, because of the increased enrollment by reason of phenomenal growth in the population of Lemon Grove, the School District, through the efforts of Mr. Netzel and his co-operation with the Trustees of the School District during the 12 years that he has been our Superintendent, four entirely new schools have been built, Golden Avenue, Monterey Heights, San Miguel and Vista La Mesa, together with four large, multi-purpose rooms, and the enrollment as shown above, has also necessitated a great increase in the number of teachers and other employees required to operate and maintain all the schools within the District.

"The Board... feels that (he) is entitled to public recognition and support for the splendid work he has been doing... not only for the School District but also for services he has rendered Lemon Grove, and the Board of Trustees.

"... DOES HEREBY RESOLVE that they have complete confidence in the honesty, integrity and capability of Byron Netzel as Superintendent of the Lemon Grove School District."

The Board then hassled over school matters until midnight.

## Rev. Apra Elected President Of Kiwanis

Rev. Dan Apra, pastor of the Lemon Grove Congregational Church, has been elected president of the Lemon Grove Kiwanis Club and Sam Solleder, assistant school superintendent, was elected vice president at the annual election earlier this month.

Rev. Apra is former vice president and he replaces Max Goodwin whose term expires at the end of the year.

Jack Durham was elected secretary replacing Solleder and William Young was re-elected treasurer.

Elected to the Kiwanis board of directors were the following: Clarence Allen, Dr. Simon Brumbaugh, Thad Butts, Fredborn Cressy, Dr. Thayer Crow, Judge Luther Hussey and Channing P. Mason, the latter a luminary in the galaxy of Review columnists.

All officers will be seated at the first meeting in January.

V.F.W. POT LUCK TO BE HELD TUESDAY

Lemon Grove Post and Auxiliary No. 2082 will have their family pot luck Tuesday at V.F.W. Hall at Imperial and Lincoln, at 7:00. Mrs. W. Sperling, CO 4-6775, will furnish further information.

Friday at the Men's Club. The movie was made by Robert Gaudin and most of it consists of local scenes.

The "world premiere" will run about 20 minutes. All Grove business men are invited. The Club meets at Michael's at noon.

## Helix to Have Gaudin's Style Show This Week

"Accent in Color" is the theme of the fashion show to be held at Helix High School Thursday at 8 p.m. and is being sponsored by the School Band and Orchestra Parent's Club.

The show is being presented by Helen Gaudin's Style Shop. Mrs. Gaudin, who operates a shop at 7808 Broadway, said that gay colors would predominate the new fall styles she plans to portray.

Mrs. Beatrice Shaw will double as commentator and model. There will be six beautiful professional models in addition to teenagers in the band. The latter include Marilyn Hutchins, Pauline Harper, Roxanna Coons, Helen Homersand, Katherine Pendergrass and Olga Riquarte.

Music will be provided by Marie Hill, Nancy Hill and Kathryn Pendergrass. An invitation is extended to all residents, and men are especially welcome. Last minute tickets may be acquired at the school.

## The Dixon Line

By Friend Dixon

We are in a position to give you some of the inside details on the coming scrap between Frank Armstrong and Red O'Malley. At this writing the television rights are being sought by Pepsi-Cola, Pabst Blue Ribbon and Four Roses. No definite date has yet been set, but for those who wish to bet on the outcome we would like to mention that in the fight articles, Red O'Malley has designated where he wants his remains sent.

## School Board to Hear Explanation Of District's Book-Keeping

Report on the annual audit will be a highlight of the mid-month meeting of the Lemon Grove School District Trustees next Monday evening at 7:30, in the Education Center, Lincoln and Kempf Sts. Paul Reynolds, district business manager, stated: "Paul R. Sternerburg, auditor, will appear in person before the board and review in detail the annual audit of school district books just completed. At the same time he may make recommendations for future bookkeeping."

Another item on the agenda which is of special interest to the board members is the scheduled explanation of certain phases of the school curriculum. A follow-up of a recent visit of members of the staff from the County Superintendent's office, S. K. Solleder, assistant superintendent, along with county personnel and members of the teaching staff here, will present explanations of the techniques, tools, and other materials of the continuing spelling program in Lemon Grove Schools. Services offered in this field by the county offices will also be discussed.

All school patrons and other interested citizens are invited to attend this and other meetings of the board of trustees. They are

## Hospital Tax Rate Too High, Says Foster

Frank Foster, 3541 Fairway Dr., Brookside, a candidate for a seat on the Grossmont Hospital board of directors, this week charged that the Grossmont Hospital District had not fulfilled their bond issue campaign promise to reduce the 20c district tax rate to cover only essentials. "Approximately half of the tax is being used to reduce bonded indebtedness," Foster said. "I think that an institution such as the Grossmont Hospital, which will serve people from all over the county, should endeavor to reduce the cost to the comparatively small group paying for it as rapidly as possible. The bonded indebtedness can be reduced from the profits the board said would accrue when the hospital gets into operation."

Foster also said that not enough information about hospital activities is being passed back to the taxpayer. "I will remedy that immediately if I am voted to the board," Foster said.

Foster is former president of the Brookside Improvement Association. He is the only aspirant to the Hospital Board who resides in the Lemon Grove area. Five other board members were appointed by the County Board of Supervisors when the district was formed.

He is scheduled for second and fourth Mondays of each month.

## Editor-Reverend Mulkey Defends His Rights to Vote on Incorporation

Rev. Morris Mulkey, pastor of the Baptist Church, edits a weekly publication called THE BAPTISGRAM.

In the current issue he views developments of incorporation in the following manner under his byline:

"The opponents of Incorporation have at last come out into the open, and sure 'nough it is none other than the bartenders and large land holders. A remark by one of the opponents went something like this—'Those d--- churches are largely responsible for promoting incorporation. The moral of this story is simply this, that the people of Lemon Grove who are for a decent government and a decent place in which to live are whole-

heartedly backing incorporation." Rev. Mulkey followed this revelation with two sermons on the freedom of worship and government sought by our forefathers when they staked their lives in a conquest for the rights of self determination.

AUXILIARY INSPECTION  
The V.F.W. Auxiliary of Post No. 2082, Lemon Grove, had district inspection by First District President Mrs. Ruth Taylor, recently. Mrs. L. VanRiper, president of the auxiliary, was very proud of her women. Cake and coffee was served while the ladies discussed a card party planned for Nov. 19.

## The Dimmer View

by Max Goodwin

At one station I served in the recent war we had a bugler whom I learned to like, not so much for the rhythmic dissonance of his reveille, but because, as a civilian, he had achieved a degree of fame in his own right. This was Ziggy Ellman, the co-author of "On the Sunny Side of the Street," who presently has his own band, I believe.

I also met in the service, and thoroughly enjoyed another chap, this one named Les Gruber. He wasn't much of an officer but he owned Detroit's famed Steak House and was almost as rich as Uncle Sugar himself.

These fellows popped into my mind for the first time in many months as I was contemplating the coming race for the sheriff's office over the week-end.

Bert Strand and I eye each other through the eyes of a couple of bull billy goats. Each ready to charge in on the other, but each with a healthy respect for the hardness of the other's head.

That brings up Hank Adams, who is running against Strand for Sheriff. Hank has just acquired a quality I can't help but respect. This quality is money. Hank not only has money but he's got a big pile of it. He told me that he sold 1,200 acres of family land for \$578,000.00 within the past few weeks. His record as a good Marine, his stint as under-sheriff and as an FBI-man gives him some degree of fame... and that doesn't even include his ability to hold a drink.

How Hank ties in with my famed rich and/or famous Air Force friends is that I used to need them with a question Continued on page 8

## What is Incorporation?

By RICHARD MILBRODT

Part 6 of a Series

It is unwise to expect a newly formed city to have more than a modest start. Nothing can be done on a grandiose scale over night. Conflicting demands will have to be met as equitably as possible on a small scale until experience can be developed. Expansion of services will come as needs arise and opportunity exists.

New City Like Bride

A suitable analogy is found in marriage. A newly married couple does not incur the same obligations, have the same expenses, or even have need for the same expenses as a couple married for some years with a few children. Any new enterprise grows as it develops to fit the demands of time.

To create a budget, it must first be known the total amount of revenues other than property tax. Some of these revenues can be very closely estimated prior to receipt; others cannot. The revenue column is therefore divided into two groups, those known and those unknown.

A budget at this time is a controversial thing. Since a budget must necessarily be the action of the council, and the council has not been elected, nor indeed, have any persons announced that they would be aspirants for the non-paying position of councilman, it is impossible to set a firm budget. The budget offered here is based on a minimum number of services, though more than are now being offered. The figures were arrived at by taking a number of cities of various sizes, figuring the per capita cost, dividing it to get an average figure, then expanding it to cover the population of Lemon Grove.

This deficit is the amount that must be raised by property taxes. With a 2% increase to cover anticipated delinquency, this raises the amount to \$84,559.00. At this point it must be pointed out that this deficit can be reduced if the number of services are cut down, or the revenues increased. If my estimated revenues are low, then the property tax will be lower, of course. Other services which the city may perform, but were not budgeted for, include street cleaning, street lighting, assumption of the sanitation district, purchase of street-right-of-way, and so on.

Estimate 68c Tax Rate  
The assessed value of Lemon Grove is about 13 million dollars. We shall assume \$12.5 million for sake of round numbers. Dividing the total assessed value into the amount of money needed and multiplying the result by 100 produces the tax rate—68c. The budget is now balanced.

Considerably under the \$1.00 maximum thus allowing for an increased program in future years. Should the council decide to adopt a sales tax, then property tax would be proportionately decreased, or allowed to remain the same while other revenues increase.

# NEW LAWYER FOR GROVE

Earl Smart, an attorney with varied experience in the Los Angeles area, has opened offices in Lemon Grove at 7858 Golden Ave.

The 33 year old lawyer is a graduate of Southwestern University of Law and took the bar examination in California in January, 1951. He was legal representative for Anchor Casualty Co., Los Angeles, before opening offices in Downey, California. He moved later to Pasadena and was substitute City Prosecutor. He later took over a law office at Vernon, California, before coming to Lemon Grove.

A long, rangy 6 foot 4 inch man, he weighs 200 pounds and is a captain in the Air Force Reserves. He served in the North African theatre and completed 50 missions.

He is married and has two children.

# THE SHOW'S THE THING!

Shirley Booth and Robert Ryan are romantically teamed in Hal Wallis' stirring new drama, "About Mrs. Leslie," a Paramount presentation that is now playing at the GROVE theatre. An absorbing and penetrating film, it co-stars Marjorie Miller and Alex Nicol. This marks Miss Booth's first screen appearance.

# MUSIC PARENTS ELECT NEW OFFICERS

The Music Parents Club held its first regular meeting earlier this month at the school auditorium. The officers and committee chairmen are: Mrs. Vernon Linden, president, Mrs. John Cornelius vice-president, Mrs. C. A. Amundson, secretary, Mr. Will Dawson treasurer. Committee chairmen: Mrs. John Cornelius, program; Mrs. Eleanor Ward, membership; Mrs. L. O. Reames, hospitality; Mrs. H. L. Graham, publicity; Mr. Will Dawson, finance; Mrs. C. A. Amundson, courtesies; Mrs. Will Dawson, band uniforms; Mrs. H. F. Whisman, band room mothers; Mrs. John Mulder, senior glee club and Mrs. W. L. Tucker, junior glee club.

Plans for a "White Elephant Booth" at the Halloween Carnival on October 30, were made. Everyone is urged to "herd their elephants to the corral" at the Junior High office by October 29. Musical selections for the evening were two piano solos by Ward Beck, Helix High freshman.

Refreshments were served by Mrs. Reames and her hospitality committee.

The next regular meeting of the club will be held on November 1, at 7:30 p.m. in the music room of Junior High.

since last season's academy award-winning performance in "Come Back, Little Sheba." The co-feature is titled "Her Twelve Men" and stars Greer Garson with Robert Ryan (this lad really gets around) and Barry Sullivan. It's in color and it's a story about a teacher that all the kids loved all because she loved them all! "Leslie" and "Men" will run to and including Saturday! The Saturday matinee feature is "Carson City" starring Randy Scott!

Say! Have you seen the latest carpentry designs in the foyer of the GROVE theater? The snack bar has been moved so that it runs parallel with the south wall of the lobby. This makes for more standing room, more comfort, more speed at the refreshments stand and an overall luxury to you the public!

To millions of baseball fans, it was Marilyn, not Joe, who struck out... Watch for Gordon Scott to be America's newest Tarzan... "Soldier of Fortune," which will star David Niven, Clark Gable and Susan Hayward, will presently be filmed in Hong Kong. Barbara Stanwyck has been handed the star role in "There's Always Tomorrow." It looks as though Robert Ryan would be the brutal man who beats the daylight out of Susan Hayward in "I'll Cry Tomorrow," the story of Lillian Roth's life... Don't forget about "The Wild One!"—B. T.

# PLANS JELLED FOR JUNIORS' 'COSTUME CAPERS'

Members of the Lemon Grove Woman's Club Juniors are getting prepared for their annual Halloween dance, Saturday, called "Costume Capers." It will be held at 8:30 p.m. at the Woman's Club House. The dance is open to the public, donation \$1.50 per couple.

The decoration committee pictured above shows Mrs. E. C. Kranch and Mrs. Carl Piepenbrink Jr., looking over plans for the dance, while Mrs. LeRoy Scagliotti looks for additional decorative ideas. Mrs. Kranch is chairman for the dance and other members of her committee include Mmes. Wm. Miller and Ralph Kraft.

# LA MESA POOL TO STAY OPEN BUT LESSONS STOP

Swimming lessons have been discontinued until May at the La Mesa Municipal Swimming Pool, it was announced this week by Ray Yeakle, pool manager.

A considerable number of Lemon Grove swimmers use the La Mesa facilities, he said.

At present the pool is open to the public on Saturdays from 11 to 4 and Sundays from 1 to 4 in the afternoon. The pool will remain open during the winter months so long as there is a demand for it.

## No Need to be a Lemon Grove 'Fatso'

Any Lemon Grove resident 15 or more pounds overweight is invited to join the free and voluntary weight-reducing "Heart Clubs" now being organized throughout this area by the San Diego County Heart Association.

Based on the idea of "group dieting" these Help-Your-Own "Heart Clubs" have helped thousands of overweight adults to reduce in other cities and states.

Each "Heart Club" is limited to 12 members and is organized by a group of men or women

right in their own neighborhood, with weekly meetings scheduled at a time and location decided upon by the members themselves. Each group selects their own chairman, weigh-master and keeper of the charts. In other cities and states (where "Heart Clubs" have met with outstanding success) after the weekly "weighing-in" and group discussion of their weekly progress in weight reduction, club members spend the remainder of each meeting period playing cards, sewing or other social activities.

Grove late this month, it was announced by Rev. J. Morris Mulkey of the Lemon Grove First Baptist Church.

The workshop type meeting will be held in a newly acquired building at Main and Burnell St. on Monday through Friday, October 25 through 29. The building is the former church of the Seventh Day Adventists. Teachers for the clinic will come from Associational churches from all over San Diego County. Books, programs and tracts, used by area Southern Baptist churches, will be taught and discussed.

The new building, in which the clinic will be held, increases the capacity of the Baptist Church to about 500 with the present building handling about 300 of that total.

Rev. Mulkey said that the church's membership totaled 100 when he came here in 1946. Membership is now near 550. The present church was recently completed. It was dedicated on Thanksgiving Day last year.

# Tired Of Cramped Parking- Shopping? Try MAYFAIR

Mrs. Worth Torricellas, 3260 New Jersey, attractive housewife and mother of two chooses Mayfair above all other markets. "Prices are important because they are lower at Mayfair," she says. "The market is so big it's like being on a picnic to shop. I like a lot of room."

Mother of two youngsters, La Vonne and Glenn, Mrs. Torricellas said her husband likes to shop at Mayfair with her. He is manager of the Richard Lawton firm, downtown.

The Barnhill family which lives at 6669 San Miguel, has a real shopping problem... that of getting together enough food for a healthy family of seven. There's James, 19; Mike 14; Ann 9; Mary 6 and Bill 2. Then there's Dorothy and William, the parents.

William is a lieutenant commander and thoroughly approves as his wife says, "Mayfair roominess is for me. I like space to move around in. In addition, prices are low, the market is clean and I can get our pay check cashed without wait or trouble."

Mrs. Albert Storts is the daughter of Mrs. Lock who is pictured elsewhere among this week's Mayfair patrons.

Her husband is a Navy man and they have no children but Mrs. Storts, like her mother, likes to shop, and she prefers Mayfair to any other market, she says. She too, lives at 4025 Aragon Dr.

"I like the home center department," states Mrs. Storts. "You know, it's a funny thing, but I have a liking for Zee Paper products and Mayfair carries such a wonderful display of them that I can't resist buying. The roominess of Mayfair is heavenly."

Emmy Lock, a widow, 4025 Aragon Dr., is a cautious shopper. Her family raised and thriving, she still likes the woman's regular chore of shopping.

"I like the meat department, and especially the produce," she reported. "Everything Mayfair has on display is so fresh. I simply can't remember ever seeing an item displayed that was not as fresh appearing as a dewdrop."

The trend from the little ivy-covered cottage, to the full size, functional home has been carried out in Mayfair Markets.

Room to turn around, to move about, and room to take a deep breath and enjoy your shopping trip has been planned and built in as carefully as the top-quality merchandise with which Mayfair fills its shelves.

Next time you visit your Mayfair Market, observe the ease with which you can move around. No more "excuse me, Mam" a dozen times when you bump your neighbor's cart because Mayfair aisles are engineered like our 8 lane freeways... with plenty of room, and plenty of safety.

### Ward Lumber Named Agent for Sherwin-Williams

Sherwin Williams Company, the largest producer of paint products in America, has named the Ward Lumber Company agents of that product for Lemon Grove, according to S. R. Frazee, head of the firm bearing his name which distributes S.W. products.

Fred Ward, president of the lumber firm, said that his employees have been going through an extended training period in preparation for the change-over from Pabco.

Ward said that S-W Paint has enjoyed a four to one preference by users over similar products in that price group. Moreover, S-W products are both field and laboratory tested, he said. Frazee pointed out that agents follow a policy established by the manufacturers of having a complete line available at all times. That includes exterior and interior paints, stains, varnishes and sundry necessary items.

"We have one major objective at present," Ward said. "We want to see a paint-pleased-public in Lemon Grove. The highest degree of this condition will come when every building in Lemon Grove has a coat of Sherwin-Williams paint on it," he said.

### San Miguel School Plans Halloween Party

Plans for the annual Halloween party at the San Miguel School on Oct. 30 are beginning to take shape under the capable leadership of Mr. Collins, carnival chairman, who is being assisted by Mrs. J. H. Lybrand, Ways and Means chairman.

The Costume Parade will start promptly at 5:00, led by Miss Samuels, fourth grade teacher. There will be costume prizes.

There will be many booths with a variety of fun for the youngsters, including a hay ride, duck pond, bean bag toss, ring toss, and hot dog stands. Besides this there is a country store, candy counter, donuts, white elephant booth, green thumb booth and many others.

Instead of the usual hamburgers and baked beans, members of a special committee have planned a chicken pie dinner, including mashed potatoes, gravy, salad, hot rolls and butter, dessert and drink, all for 85c for adults and 50c for children. Dinner will be served from 6:00.

### CLOYED ENDORSES KIRKWOOD

Danger of allowing any state office to fall into the hands of left wingers was pointed out today by Assemblyman Ralph Cloyed in the State Controller's campaign.

Robert C. Kirkwood, state controller and a career public official, is being opposed by a San Francisco assemblyman who has been active in the "Harry Bridges Defense Committee" and who voted "no" consistently against all bills aimed at subversives.

Cloyed, who has served in Sacramento with both Kirkwood and his opponent, said he believed that the public was not aware of Kirkwood's opponent's consistent efforts to thwart government agencies in their fight against subversives.

Cloyed is now spearheading a south bay movement to insure the retention of State Controller Robert C. Kirkwood.

### State Law on 'Homes' Reviewed

According to the Public Welfare Commission, California law requires persons operating "homes" to acquire a license from the State Department of Social Welfare.

A license is required for the care of one or more children or one or more well aged persons if they are maintained away from their own home, with or without compensation for 24 hour or day care.

The license is issued without charge and is required in addition to any other local or county licenses.

lice; or, Sid, you can be city engineer. The rest of you guys can be on the city council, or cops, or firemen."

There is no use elaborating because people of Lemon Grove have already gotten the idea. Nobody would call a plumber to build a chicken coop nor a carpenter to do the plumbing. Let's face it! We just don't have anybody experienced in this incorporation movement. All the guys running this thing are seeking an office or a job of some sort.

## BOSTON TERRIERS TO CONTEST SUNDAY

The Boston Terrier Club of San Diego will hold a sanctioned match October 24 at the Mission Beach Woman's Clubhouse, 840 Santa Clara Pl.

Lunch will be served. Entries will be taken until noon on show day. Mr. and Mrs. Lester Gibson are Match Chairmen.

That's where we get back to the fat hog. Just who do you think is going to supply the meat for all these would-be big wheels?

Now to get back to the attorney named Armstrong who chooses me to a soap box duel. I am perfectly willing to match wits with him publicly or privately, whenever or wherever he chooses.

I must deal in common logic and not law, or he would beat my brains out as quickly as I would his in a fist-and-skull encounter.

I have strolled through the business district lately and no longer encounter those Lemon shaped badges. Why? I have discussed incorporation with many of our businessmen and they all have the same answer. "I am waiting to see what the people want." Then after the conversation I explain that every man is entitled to his own opinion but whether he is right or wrong he is respected for having the guts to stick up for his own convictions. They usually agree but they want to wait to let the other fellow make the first move.

I would say, Mr. Armstrong, that the odds are reversed. . . I think you have attended one too many minority group meetings and you don't take time to talk to the thousands in the majority who see things as I do.

I'll bet you incorporation loses and the payoff can be pushing a peanut with your nose for one block, or carrying a sign saying that you lost for six hours or anything else you'd like to bet.

Face it, Mr. Armstrong! There will be no incorporation for some time to come!

That time will be when a small group of office seekers give up trying to make themselves a job.

"Red" O'Malley

Ed's Note:

When we checked Mr. Armstrong about Mr. O'Malley's proposals, he said that he would answer him in full in

next week's paper. "When this monkey gets a little further out on that limb he's on, I'm going to chop it off," Mr. Armstrong said.

Upper left: truck bed is lifted to full 45 inch height. Lower left: the bed snuggles the ground.

Upper right: full tilt backward to make unloading from truck bed to ground easier, and

Lower right: bed tilts toward the front for easy loading.

The ingenuity of two Lemon Grove men may revolutionize the trucking industry.

Bob L. Schauer, owner of Bob's Custom Mechanics, lives at 2770 Cypress, and Herb Rendel, 7665 San Miguel St., conceived the idea for a truck bed with a four-way stretch, back in 1949 while they were constructing a low bed trailer for a San Diego transport firm.

"Why," they reasoned, "couldn't a truck bed have elevators to save that back-breaking lifting?"

They looked at each other and greed there was no reason why it couldn't be done, so thousands of hours of work and five years later they completed the manufacturing of a truck bed that could be mechanically lifted from ground level to 45 inches in height. Moreover, each corner was completely controllable to permit the truck bed to be tilted toward the front or back or from one side to the other. This latter condition has proved important where the ground upon which the truck is standing is not level.

The bed has a lifting capacity of 16,000 pounds and the first one completed in October is presently in use every day by C & R Transfer, 1502 Kettner Blvd., one of San Diego's largest movers.

Jim Case, owner of the firm, said, "This device takes the strain

of lifting heavy equipment off our men. It actually transforms their muscle power into brain power. That's good for any working man. Most important, however, is the savings in time it affords our patrons. Many jobs are now done 50% cheaper!"

The operation of the truck bed is full hydraulic and simple; three hydraulic valves do the job. There is a patent pending.

The Southern California Exposition grounds at Del Mar again will serve as winter quarters for approximately 400 standardbreds which race under the banner of the Western Harness Racing Assn.

In every thing give thanks: for this is the will of God in Christ Jesus concerning you. (I Thessalonians 5:18.)

After seven days of continuous rain, the sun appeared, radiating light and warmth. I hurried to hang out a large batch of wet clothes in that sunshine. My neighbors did the same. Soon all the yards were full of clothes

hung out to dry.

Then I began to meditate on the great things of the universe for the good of humanity: the sunshine, the air, the trees which produce tasty fruit, and many others things too numerous to name.

God gives us our blessings. Besides, He sent us a more wonderful blessing—His only begotten Son to die on the cross for our sins. Also, God sends the Holy Spirit to guide us in this world. He gives us peace of mind that we may not fear the morrow; joy in living, even in the midst of tribulations.

Life is all the richer for us if we give thanks, without ceasing, to our Creator, Redeemer, Father, and Comforter for all mercies.

Congrats... are in order to Lulu Doud who will become the bride of Glenn Morell on October 24. Lu started J.C. in September!

Congrats to Carolyn Oliver, an 18 year old San Diego J.C. frosh who is this year's Miss "Opti-Mas of '54." Bob Lulu and Carolyn graduated from Helix last year where they were song-leaders!

I urge all parents of a High-lander to join the Helix P-T-A—it's worthwhile and educational. A course in basic radio is offered at Helix, Monday night at 7 p.m. Tuition fee is one dollar... The Parents Club of the Helix band and orchestra will present a fashion show, "Access in Color," in the Helix cafeteria, Thursday, Oct. 21 at 7:30 p.m. The styles are being contributed by Helen Goulding's Style Shop of Lemon Grove!

Electionitis... has gripped many service and social organizations recently as new clubs and new officers are being thrown into action. The Heartland Players of Lemon Grove release the latest names to fill the leaders ranks. President, Bill Baxter; vice-president, Jack Arbuckle; recording secretary, Bette Baxter; corresponding secretary, Coe Keene; treasurer, Travis Keeton, publicity director, Bob Turnbull. The board of directors consists of Dick Johnson, Emily Jordan, Shirley Berry and Bob Turnbull... The fall commissioners for JC are: Commissioner of assemblies, Mary Moreno; co-commissioner of records, Theresa Francis; Comm. of records, Theresa Brollini; comm. of special events, Bobbi Gorwood; Comm. of public relations, Bob Turnbull; Comm. of amendments and elections, Ruth O'Hara; Comm. of publicity, Rip Bojorque; Comm. of mens' athletics, Roger Mallett; Comm. of women's activities, Mary Renteria; and Comm. of mens' activities, Don Warfield. Don and I are Helix graduates!

The third annual Helix Alumni Association met last Thursday eve in Helix's Green Room. Other than refreshments and an over-all look-see into the future, officers were elected. They are: Mike Spinazzola, prexy; Bernie Stalstad, vee; Carol Culver, secretary; Buddy Davis, moneybags; Cecelia Lyons, social chairman. The three class representatives are Barbette '52; Ray Wes, '53; and Gayle Meador, '54! Bernie and Cece reside in Lemon Grove!

Gridiron Gossip... By now Helix's crushing 31-0 victory over Lincoln and their disappointing 19-7 loss to Pt. Loma is somewhat of the past that is deeply imbedded in the Helix fan's mind. A brief glance at the aforesaid games would be appropriate.

One thing, among many things that Helix can boast, is that no one man carries the ball or scores the six-pointers. In the Hornet tussle Jordan, Bonilla, Welbaum, Beyer and Bonilla all tallied once, with Jordan splitting the uprisings for one extra. Personally, having logical strategy in mind, I'm a little pleased that Helix dropped the Loman game. It was getting evident that our varsity toughs were getting a might cocky, and as you well know, overconfidence has brought many a downfall! The game didn't count in our league frays so I think we'll be up for our first league fight tomorrow night when we do battle with the highly-touted and favored Chula Vista Spartans on their gridiron.

At present, we all of last week-end games not completed at the time this was written, Helix was in second place in non-conference tilts, while Grossmont was still sprawled out in the cellar. Helix has a 2-1 record, Chula Vista has a 3-1 record while GUIS has an unimpressive tally of a lone victory with three defeats. Henry Bonilla, Helix' stal-

wart halfback, is currently tied with D'Heilly of Grossmont for second place in the scoring ranks. Karl Jordan, of Helix fame, is one notch below!

**Sport Flashes...** Coach Bob Palmer's Helix freshman football team romped to a 33-0 win over Vista a few weeks back. It was the season's opener for our yearlings... Helix's cross-country sounds are really making themselves scarce as they leave their most worthy opponents in the dust. Helix has tallied up three consecutive wins over Kearny (18-44), Lincoln (15-50) and Pt. Loma (26-30)...

Tomorrow night Helix engages in a do-or-die battle with Chula Vista at the Chula Vista Bowl with the kick-off scheduled at 8:00 p.m. Saturday night S. D. J. C. travels northward to have it out with a powerful contingent from L. A. Valley J. C. Game time is set at eight... Congratulations to Ed Dobis and Henry Bonilla who were unanimously selected by the Union newspaper as last week's "Lineman of the Week" and "Back of the Week," respectively. Bonilla and Dobis were Helix's big guns when they bowled over Lincoln... Congrats to the S. D. Padres who led the circuit in eight of 15 different hitting departments... Helix still plagued with injuries. Still castled or limping are Pete Homan, back; Dick Dedrick, tackle; Duane Rudzinski, back; Larry Burner, lineman; Neal Curtis, end; and Tommy Simmons, tackle.

**Dr. Peter Shea, Dentist, Returns To Grove**  
Dr. Peter E. Shea, dentist, this month returned to Lemon Grove after serving more than two years in military service. He served for eight months at Fort Huachuca, Arizona, then completed his tour of duty at Fort McArthur. While at McArthur he engaged in post graduate studies in new dental techniques.

His offices will be in the same location as they were when he entered the armed services, at 3358 Main St. He plans to again become active in local civic affairs, he said.

We all yammer a lot about  
some of our legislators and how  
two-faced they are, etc., etc., but  
did you ever stop to think how  
many real problems can't be  
answered by 'yes' or 'no,' but must  
be answered by a compromise?  
It's not always easy to say some-  
thing is either black or white, is  
it? Several shades of grey often  
creep in, don't they? Don't know  
why we brought this up, but we  
guess it's a renewal of a sugges-  
tion we've made before. Let's not  
blow our lids just because some-  
body doesn't agree with us as to  
a solution to our community  
problems.

whenever they put on the dog.  
"If you're so famous," I'd ask,  
"what are you doing in the  
Army?" This would serve to  
bring them down to Armed  
Forces earth again... but it  
doesn't work with Hank.

I accused Hank of being a  
hopeless politician or an idiot.  
"Why else does a wealthy man  
expose himself to the abuse which  
seems to go with politicking?" I  
asked him.

He immediately proved he was  
not an idiot. He did this with a  
plan he worked out that would  
more than double the police ef-  
fectiveness of the sheriff's de-  
partment. He proposes to put in  
four sub-stations and require of-  
ficers to turn in their autos at  
the end of their shift. Most of  
them are driven home by their  
users, thus denying the taxpayer  
the use of the autos for two  
shifts. These sub-stations could  
be holding tanks for prisoners.

Prowl cars would not then be  
taken out of service while deliv-  
ering prisoners to the county jail  
as they are now. A patsy would  
make the tour every morning and  
collect these sub-station prison-  
ers. He also has a juvenile pro-  
gram that makes sense.

Just on this one project alone,  
he convinced me he has some re-  
finements over the norm of run-  
of-the-mill politician. He is ap-
